Working sessions
Subjects and literature

- We will have 12 working groups à 3 participants. Each group has 15-20 min. presentation time and 25 min for chairing the discussion with the whole group

- You may use PPP or paper handouts or flipcharts - as you prefer

- Since there is only short time to get to know each other and to prepare the presentation in the group (on Sunday afternoon), it would be very helpful to contact each other via mail or Facebook in advance to make a plan how to present and work together in your working group
